

# Canberra Old Oak Surgery

---

Patient Participation Group Meeting  
Tuesday 26<sup>th</sup> May 2020

# Today's Agenda

- Introduction
- PPG vision and practice working relationship
- Changes to practice opening hours
- Services offered within the practice during Covid-19
- New ways of working
- Dr. iQ
- Questions

# Introduction

Welcome to the first ever **virtual** PPG meeting

It is very important that we continue to have PPG meetings virtually to ensure there is regular communication between the practice and patients during these unprecedented times

---

# PPG Vision

---

Our Patient Participation Group is designed to:

- Develop a partnership with patients
- Discover what a range of patients think about services and to establish their priorities
- Provide a platform to test and modify ideas/plans

# What is a PPG?

---

PPG works with the practice to:

- Offer patient perspective on services provided by the practice
- Contribute to the continuous improvement of services
- Foster improved communication between the practice and its patients
- Help patients to take more responsibility for their health
- Provide practical support and help to implement change

# Advantages for patients

Patients learn how to become more responsible for their own health

Patients will have a better understanding of the practice and its staff

Patients will be consulted on arrangements in primary health care before decisions are made

Patients will have a forum to suggest positive ideas for change and voice concerns

# Advantages for practice:

The practice will be able to plan services jointly with patients

Get closer to the community for whom they care

Help patients with non-medical and social care issues

Get help from patients to meet targets and objectives

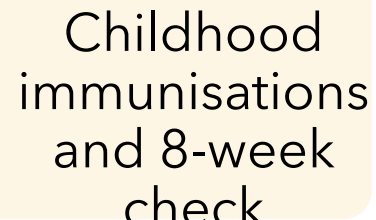

Have a forum to voice ideas and concerns

# Nurse appointments during Covid-19

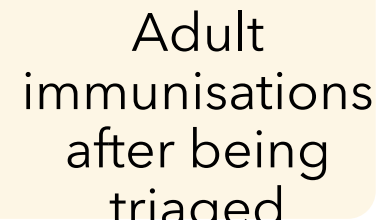

---

Childhood  
immunisations  
and 8-week  
check

Complex  
dressings

Adult  
immunisations  
after being  
triaged

Suture removals

# Childhood Immunisations

---

ROUTINE VACCINATIONS FOR BABIES AND PRE-SCHOOL CHILDREN  
**CONTINUING AS NORMAL**

FOR IMMUNISATIONS ALREADY COMPLETED, WE NEED A COPY OF YOUR  
RED BOOK EMAILED **OR** SENT VIA DR. IQ  
(PARENT CAN USE OWN DR IQ ACCOUNT TO SUBMIT THIS VIA ONLINE  
CONSULTATION)

It is important to attend your appointments unless you, your child or someone you live with has symptoms of coronavirus

# HCA appointments during Covid-19

---

ECG (for urgent investigations only)

Phlebotomy (for urgent investigations only)

Near Patient Monitoring

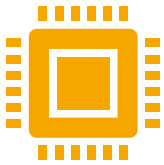

# Proactive Telephone Calls & Welfare Checks

The clinical team (including GPs) have been proactively calling and carrying out welfare checks for the following patient groups:

- Extremely vulnerable patients (shielded group)
- Aged 70 or older (regardless of medical conditions)
- Under 70 with an underlying health condition
- Pregnant patients

# New ways of working
